1. In continuation/ reiteration of our advisory of March 9, all Indian nationals currently in Iran are **strictly advised not to approach or attempt** to cross any land border of Iran for onward travel **without** prior and explicit coordination with the Embassy of India, Tehran.
2. The Embassy is in regular contact with members of the Indian community, and coordinated arrangements are being undertaken wherever necessary. Uncoordinated movement toward land borders is strongly discouraged.
3. Indian nationals who attempt to leave Iran via land borders without the knowledge and guidance of the Embassy are highly likely to encounter serious logistical and immigration difficulties. Please note that the Embassy will not be in a position to provide assistance once individuals move outside Iranian territory without prior coordination.
4. All Indian nationals in Iran are therefore urged to strictly follow Embassy advisories and remain in touch with official channels and before undertaking any travel.
