EMBASSY OF INDIA
TEHRAN

ADVISORY

23 November 2026

1. The Embassy of India, Tehran, has been closely monitoring the security situation in the Islamic Republic of Iran. In view of recent developments in the region and in partial relaxation of this embassy's earlier advisory on 19 July 2026, Indian citizens presently in Iran, as well as those who wish to travel to Iran, are advised to continue to remain vigilant and maintain constant situational awareness. They are further advised to closely follow local developments through credible sources of information and to comply with all instruction issued by the local authorities.

2. All Indian Nationals currently in Iran and those arriving in Iran, are strongly advised to register their particulars with the Embassy of India Tehran, Iran. They are also advised to regularly monitor the Embassy's official website and social media platform for updates and any further advisories that are issued.

3. The emergency contact helplines of the Indian Embassy are provided below:
